Thank you for the opportunity to review this version of the manuscript. We certainly appreciate ORD's efforts to address our comments. Attached are my minor comments/suggestions to go along with Roger Reinhart's. I apologize for not getting these consolidated for you and for the length of time for our response.

If you have any questions on these, please contact Roger or myself.

Good morning Andrew,

I reviewed the revised manuscript and provided a few, relatively minor suggestions (See attachment with comments). I also provided statistics and dates in the appropriate spots. Please feel free to contact me if you have any questions. Thanks.

## Ex. 5 Deliberative Process (DP)

**I intend to make a final decision on this manuscript by October 18, so input received from you before then will be most helpful.** I will carefully consider your comments as I work with the author to finalize the manuscript for submission.

I also attach a compilation of your concerns which we received some months ago, which I asked Andy to consider as he made his revisions.

Thanks, best regards, Andy
